

Would you like to learn of activities you can access for your child at the weekend or in the evening?

Come along to our social event to meet other parents and hear about some of the services and activities that are available.

**Friday 29th September at 7 pm in St Columba's Church,
Johnston Terrace, Edinburgh EH1 2PW.**

We are inviting parents who have children with additional support needs to come and join our evening to explore what is out there for our children.

There will be speakers from local services, to talk about what is available for children in and around Lothian.

We will also have a suggestions board so that you can share ideas about what activities have worked. We want to hear: why was the activity good for your child, was it adaptable, good changing facilities, staff that can communicate, sign, understanding of behavioural difficulties, etc.

This will then be developed into a resource and shared via our Parent Councils.

We also know that as parents, we do not get many opportunities to share experiences, to hopefully relax and have some fun...so there will be nibbles, soft drinks, a fun quiz and you can bring wine (if you wish).

The event is free. If you are interested and wish to reserve a place, please respond to one of the parent council representatives below by Friday 22nd September 2017.

We look forward to seeing you there!
